

# BASIC HANDS

## Types of Tiles

### Numbered Tiles

Red designates the Man suit, or the "character" tiles

Blue designates the Pin suit, or the "circles" tiles

Green designates the Sou suit, or the "bamboo" tiles

### Honor Tiles

White designates Honor tiles, the Winds and the Dragons

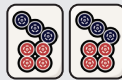

### Additional Colors

For any symbols colored gray/black, any suit is acceptable

A mix of a suited color and white means that either a suited tile or an honor tile can be used

## Building Blocks of a Hand: Pair, Pon, Chi

**Pair:** Two identical tiles from the same suit

**Pon:** Three identical tiles from the same suit

**Chi:** A sequential run of numbered tiles from the same suit

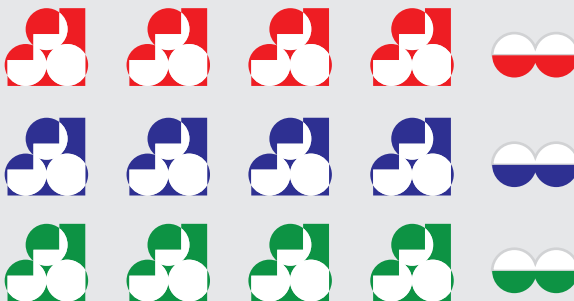

**Pon/Chi:** Set can be either a pon or a chi

## Hands

**Riichi:** The most basic hand. Consists of 4 sets and pair, and remains closed

**Flush:** A hand in which all of the numbered tiles are in the same suit. May include honor tiles

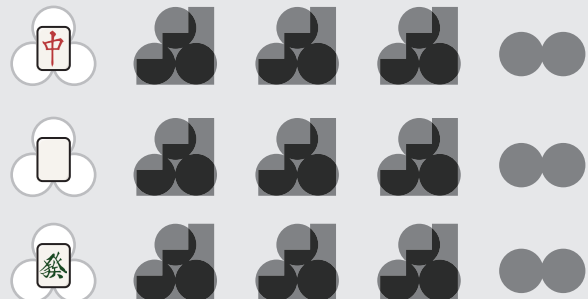

**3 Similar Chi:** A hand with three chi, one in each suit, all of the same numbered sequence

**All Simples:** A hand which only consists of tiles numbered 2-8

**Dragon:** A hand that has a pon of any Dragon

**All Pon:** A hand consisting of 4 pon and a pair
